

Mater Priority Trial Reviews

Mater Research is pleased to offer a fee-for-service Research Governance and Agreements express review model to expedite site authorisation.

Key features of the model include:

- ✓ Initial Research Governance and Agreements review within 5 business days of submission
- ✓ Dedicated Primary Research Governance and Agreements Officers for the study
- ✓ Parallel review by Research Governance and Agreements

GOAL: complete review and authorisation process to allow trial to commence within 2-4 weeks of submission.
